A memorandum on this subject was approved for submission to USIB. (Reference: SECRET memorandum dated 26 July 1961)

ITEM 5

Army Contribution to NIE 11-4-61 on Soviet Guided Missile Organization

This paper was reviewed by the Committee. Agreement was not obtained as to the suitability of this draft for submission to ONE. It was decided that the Chairman would discuss the required scope of a contribution with ONE. (It now appears that little detail is required. It is not expected that this contribution will require further GMAIC action.)
